

Oregon Agriculture in the Classroom Foundation *Get Oregonized* History Book Grant Information

Thank you for your interest in the Get Oregonized Grant Program! This program is possible thanks to dozens of generous donors who donate cases of books at our annual fundraising dinner each year.

The Foundation provides grants to structured education programs this includes public schools, private schools, charter schools and afterschool programs. Homeschools and all other educational programs will be considered on a case-by-case basis, applicants in these categories should seek permission before submitting an application.

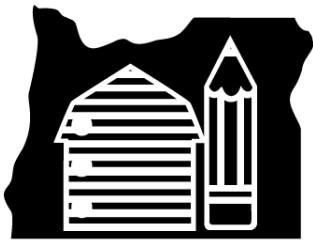

Shipping costs and the Teacher's Guide are NOT included in the grant at this time. Please plan for those costs accordingly. We welcome pick-up from our Corvallis office, if the shipping is a concern.

Grants are always most competitive if there are some funds being committed from the school. Ideally, a match of two purchased books to one donated book is preferred. However, ALL circumstances are considered; please explain your situation including the financial limitations of your classroom/school in as much detail as possible.

Send the completed grant application to Jessica Jansen, Executive Director. You will receive a confirmation email that your application has been received and a decision within 5-7 business days.

Please contact Jessica Jansen, Executive Director, with any questions regarding this process.
